

# TO HEALTH CARE WORKERS OF NEVADA

## OUR PURPOSE

The purpose of the **Adopt-A-Health Care Worker Nevada Prayer Protection Ministry** is to assign to each Health Care worker a family, group, or individual who will pray for you daily and send a note of encouragement, support and assurance for the caregiving service you provide in our community.

To do what nobody else will do in a way that nobody else can do it -- and in spite of everything that you go through -- we support you! We provide you with the greatest shield of protection that money cannot buy, and a mask cannot filter: the power of a faithful, praying believer and a group of prayer warriors.

Who is eligible for this service? Anyone who works in a hospital or healthcare facility, **including but not limited to** doctors, nurses, CNAs, emergency medical personnel, dental professionals, nursing and medical students, laboratory technicians, pharmacist, hospital administrative staff, treatment center counselors, housekeepers, and maintenance staff.

*"I urge then, first of all, that requests, prayers, intercessions and thanksgiving be made for everyone — for kings and for all those in authority that we may live peaceful and quiet lives in all godliness and holiness." — 1 Timothy 2:1-2 (NIV)*
